

I graduated from Towson University in 2017 with a B.S. in Family and Human Services. My career in education started as a 1st grade Teaching Assistant. Once I realized my place was in the classroom I got the opportunity to be a 4th/5th grade Learning Differences Teacher. Once I received my Teaching Certification, I taught Kindergarten for two years. I am so excited to be part of the A to Z team and help create something very special!
