

Mallory Lundien

Mallory Lundien holds a BS in Elementary Education from Towson University, and has 12 years of experience working with children in classroom environments. Most recently, she joined Anne Arundel County Public Schools in 2020, entering the classroom in a 100% virtual setting and transitioning seamlessly to hybrid teaching, followed by full in-person teaching. Mallory has worked with Anne Arundel County Recreation and Parks since 2016, and is currently the Site Coordinator and the Youth Volunteer Supervisor.

This breadth of experience, ranging from in-person to hybrid to virtual, from summer camps to academic settings, and from hands-on teaching to administration and leader training and coaching, has provided Mallory with deep knowledge and understanding of how to truly support the whole student, beyond academics. She is excited to be partnering with A to Z Education Consulting!
